Birkenhead Park

Author, Judith Aspinwall.

Local History Group 9 enjoyed a delightful day out to Birkenhead Park by train followed by a short walk to the Visitor Centre. Yes it was the world's first public park based on the principle that it was a park for all classes of people rich or poor. There were routes for carriages and paths for walkers. The clever design by Joseph Paxton of the lakes meant that they looked like rivers curving away from view behind woods. The park is a Grade 1 listed landscape with Grade 2 listed structures and buildings celebrating cultures from around the world, for example the Swiss Bridge with a beautiful mosaic floor. Our guide, Chris, enhanced our visit and the displays in the visitor centre were really interesting with beautiful photos. Of course the fact most of

The "Swiss" Bridge

us know is that New York's Central Park was inspired after a visit to Birkenhead Park. New Yorkers have their own green oasis thanks to ours. The day was full of history. A Spitfire landed on the night pasture, the pilot fortunately only broke his ankle. We ended the day in the cafe within the Visitor Centre - a good day was had by all.

It is anticipated that the next Newsletter will not be published until the Autumn as many interest groups appear to be still inactive and few are reporting in the Newsletter. The Committee has, therefore, decided to limit the number of Newsletters. Please see the website for details of the deadline and publication date for the next edition.

Norton Priory

Author, Jeanette Smith.

Norton Priory, near Runcorn, is the most excavated monastic site in Europe, and members of **Local History Group 6** enjoyed a guided tour for their April meeting. Boasting the priory ruins, 12th century undercroft and an 18th century Walled Garden, it is located within an oasis of 42 acres of tranquil woodland and wildflower meadows. The museum includes two exhibition galleries which explore the site's history, including the

archaeological digs which are still being undertaken. Thousands of artefacts from Norton's 900 year history are on display, including the internationally significant 14th century statue of St. Christopher, which features in Lucy M. Boston's classic children's book, 'The Children of Green Knowe'.

Following a very knowledgeable tour the group tucked into a delicious lunch in the Priory's café before exploring the museum and gardens.

Music Appreciation

Author, Linda Sharratt.

There seems to be a bit of confusion about what the Music Appreciation group does! Members are often asked whether we meet up to perform and play instruments, or to sing together. No, we don't; we meet up to Appreciate recordings of music performed by professional musicians and singers, who do so to perfection, usually on CDs.

We're inviting you to come along for a "taster session" or two, to find out more and whether you would enjoy becoming a member of the group. You'd be very welcome. The group meets on the 4th Thursday of each month between 2pm and 4pm. Each session is held at a member's home and that person chooses and plays a variety of recordings, often with a theme. For instance, in February Pam chose to play music with the theme "Rainbow" so this was a colourful selection. In March Linda chose an eclectic mix including classical, jazz and Peruvian. After each track we discuss its merits, background or other memories of the piece. Halfway through the programme we stop for refreshments and have a catch-up chat.

If you are interested and would like to try a couple of sessions to see if you would enjoy Music Appreciation, please contact Rob Blackwell (group leader) on 875573 or email indigo4943@gmail.com

Important Announcements

Chairman: Despite the efforts of the Committee leading up to the AGM, we were unable to attract anybody to stand for the position of Chair. As a result we were not able to appoint a Chair on the day and have not been able to fill the vacancy despite our continued efforts. The Committee is continuing to operate under temporary arrangements but we are conscious that this is contrary to our Constitution and this cannot go on indefinitely. Unless we are able to appoint a Chair, ultimately we will be forced to close the Formby branch of the u3a and any assets will be forfeited to the Third Age Trust.

The Committee is keen that this should not happen and are appealing once again for volunteers who would be prepared to join the Committee with a view to eventually taking over the role of Chair. Should you feel you are able to contribute and want to find out more please contact the Secretary or Treasurer for more information.

Thursday Coffee Mornings: Unfortunately, as we do not have a full committee despite extensive appeals, we are under resourced and combined with the lack of attendance on Thursdays, the Thursday Coffee Mornings are regrettably currently suspended until further notice. Committee members will be available at the Wednesday monthly talk if you have any queries.
